

To whom it may concern,

I wanted to send a note telling you how much I like listening to AIR1 Radio. I live in Burlington, VT and I don't think I would be able to listen to the kind of music that they play on AIR1 Radio on a local station. Not only do I Enjoy AIR1 radio, but I also like to listen to KEAR Family Radio. These stations are both out of California and both have unique music styles and programming that I know I couldn't find locally. I usually don't write letters like this, but I want to be sure that these stations stay on the air.

Thanks for listening, Matt Durham
